

Rent Well is offering a new tenant education program delivered by certified instructors in Clackamas, Multnomah, Clark and Washington Counties.

Rent Well is a 15-hour class, typically delivered over 6 weeks, and covers key information for being a responsible and stable tenant. Participants explore any screening barriers they may have, take steps to address those barriers, and prepare to be successful tenants in the future.

During this class, participants learn to:

- Pre-screen themselves
- Create a personalized plan for stable housing
- Plan a workable household budget that makes paying rent a priority
- Review rental agreements to understand common terms and expectations
- Understand the landlord's perspective
- Move-in and move-out the right way
- Maintain a clean, safe and healthy home

Rent Well graduation requirements include full attendance of 15 hours of class, completion of assignments and the development of a housing portfolio that will show landlords a participant's qualifications as a tenant. Upon graduation, students receive a Graduation Certificate verifying successful completion of the program.

Landlords are eligible to register for the Rent Well Landlord Guarantee which allows landlords to recoup up to 1 month rent (max. \$1000.) to cover damages, unpaid rent, or eviction costs if a Rent Well grad tenant is evicted. *(This applies to Washington County participants; the guarantee varies by county.)*

The Rent Well Landlord Guarantee is an incentive for landlords to rent to Rent Well graduates.

If a landlord registers* when renting a unit to a Rent Well graduate, and that tenant vacates the unit within twelve months from the move-in date noted on the Rental Agreement and leaves unpaid rent or damages, the Guarantee *may* reimburse for:

- Damages in excess of normal wear and tear that exceed the security deposit
- Eviction-related court costs;
- Up to one month's non-payment of rent

The Landlord Guarantee is available for units in Oregon only. Landlord Guarantee registration procedures and policies vary by county; contact the Lead Agency in the county where your prospective tenant took the course for more information. Landlords should screen a Rent Well graduate as they would any other potential tenant.

**Access to the Landlord Guarantee is based on available funds. Landlords are strongly urged to contact the Lead Agency to confirm that a Rent Well graduate's certificate is valid and that guarantee funds are available before signing a rental agreement with the tenant.*
